79	Good friendly atmosphere about the school. Very good people work in the school.	11/23/2022 3:14 PM
80	The teachers welcoming children on their way in. The automatic iPhone calendar updates. The reminder emails. The quick response to emails.	11/23/2022 3:13 PM

## Q17 What could the school do better?

Answered: 55 Skipped: 25

#	RESPONSES	DATE
1	Keep doing what you are doing!	12/1/2022 12:44 AM
2	More moments for less academic children to shine.	11/30/2022 11:20 AM
3	Keep going	11/29/2022 2:54 PM
4	It is a great school, everything is perfect about it.	11/29/2022 2:32 PM
5	Doing well. Just extra curricular activities could be mixed up a bit ie offer gymnastics to KS2 pupils not just the little ones that enjoy this	11/29/2022 11:20 AM
6	Homework should be paper based rather than done on an ipad/laptop. No homework before a school holiday so it gives us all a chance of relaxing and not to worry about children getting their homework done. There is a lot of asks for parents , world book day costumes, money for charities ect . Due to the current cost of living crisis this puts a strain on parents to find extra money .	11/29/2022 7:32 AM
7	Menu improvements, less processed and red meat as linked to bowel cancer. Puddings everyday & tuck shop not teaching good eating habit for life. Difficulty to keep up with messages/emails, important ones not flagged.	11/28/2022 8:56 PM
8	NA	11/28/2022 6:57 PM
9	The communication with the parents could be improved.	11/27/2022 10:03 PM
10	Nothing	11/27/2022 9:49 AM
11	The staggered pick up (between year 1 and 6) is painful - especially in the winter when you have to collect one child at 15:20 and then wait around in the wet and cold for a class to come out ten minutes later.... it's not a complete nightmare, but if I could choose, I'd have all my kids out at the same time.	11/26/2022 1:43 PM
12	We missed the 11+ exam and this didn't seem to be something publicised or normalised by the school. Sometimes it seems there are behavioural issues with other children which are not always fully addressed and can cause disruption. Maths is the only area where there are any issues. It's a tricky subject for many kids and I think teachers should ensure they do their best to try and be patient and compassionate. The feedback has been negative in that respect and my daughter doesn't feel supported in difficult times or championed in her successes by her maths teacher.	11/25/2022 9:48 PM
13	Tuck shop twice a week instead of every day	11/25/2022 2:40 PM
14	Safety for kids and anti-bullying . Not first time my son has been bullied and slapped by another kids.	11/25/2022 1:25 PM
15	N/a	11/25/2022 10:50 AM
16	More homework, not just reading books at home.	11/25/2022 10:49 AM
17	I'm OK with what they are doing already.	11/25/2022 10:48 AM
18	I would like to see more team sport activities	11/25/2022 10:38 AM
19	We would like the school to be a bit more proud of themselves and big up the children and the school as a whole both internally and at external events making them feel that they are more than good enough and proud to be part of TW	11/25/2022 10:38 AM
20	Nothing	11/25/2022 7:07 AM
21	Lost property, even marked with names is a problem. Stick to what parent requests for lunches where possible and not allow juice for little ones at lunch, rather water or milk, healthier	11/24/2022 8:30 PM

Thomas Willingale School and Nursery Parent View At TWS we pride ourselves on trying to do the best we can for you and your children. We seek your views yearly to help us do this. Please take a few minutes to complete this survey.

22	We haven't be there long enough to have anything negative or think there's anything to improve on.	11/24/2022 5:48 PM
23	I am so happy with the care and support.	11/24/2022 3:36 PM
24	Offer to assign homework on paper for families who struggle to get online regularly	11/24/2022 3:12 PM
25	More ability appropriate work given to children. Not sure what the school can do about this but some of the parents are absolute bullies themselves	11/24/2022 10:43 AM
26	Provide a greater understanding of what level my child should be working at, what he should be aiming for and what improvements are required	11/24/2022 7:36 AM
27	Stretching higher ability pupils more and ensuring teaching staff are diverse, creative and well trained	11/23/2022 11:36 PM
28	Probably being firm on moral issues, but so far so good.	11/23/2022 10:54 PM
29	Nothing I can think of at the moment	11/23/2022 10:51 PM
30	The one and only think that I don't like in the nursery is that the lunches are too expensive	11/23/2022 10:36 PM
31	Nothing!	11/23/2022 8:59 PM
32	Equal opportunities	11/23/2022 8:24 PM
33	Enhance E-safety topics/ information to help educate parents and children. This has been touched on but I feel much more could be of benefits to parents especially as todays world is all online.	11/23/2022 8:16 PM
34	Push high ability children more. Given more support at the top end as well as the bottom.	11/23/2022 8:03 PM
35	N/A	11/23/2022 8:00 PM
36	To discipline them more!	11/23/2022 7:54 PM
37	Further challenge for the more able	11/23/2022 7:12 PM
38	Allow families to actually attend school even like Christmas singing not to provide 2 tickets and 1 ticket is actually for a sibling. Its sad	11/23/2022 6:46 PM
39	I am not sure if they do or not but if they could talk about good behaviour at the carpet time it will be good as my child telling as few words which he learned from his friends and is not nice words... thank you	11/23/2022 6:36 PM
40	N/A	11/23/2022 6:28 PM
41	Provide more after-school clubs. For example homework club is limited, so not all kids can benefit from this	11/23/2022 6:28 PM
42	Improving the school menu to healthy options ie less desserts, less processed meat	11/23/2022 6:08 PM
43	My 6 year child often only has minutes to eat lunch when it's her turn to be a play leader etc. Always comes home with food because she says there was not enough time to eat. Some teachers are far to strict on toilet breaks also, another problem that seems to of been the same for years.	11/23/2022 5:53 PM
44	I don't think it needs to do anything better	11/23/2022 5:28 PM
45	Children could go on an organised trips more often since they've lost so much due to the covid-19 period. Also more after school clubs/spaces seem to be needed.	11/23/2022 5:15 PM
46	I believe teachers of small classes (year2) must be a little more friendly towards children so they enjoy going to school. A smile won't do any harm.	11/23/2022 5:04 PM
47	Just an observation. On the first day of school in reception was told to bring child in their PE kit. The first day of school is such a big thing I think all parents want that picture of their child in their school uniform.. I think for reception joiners children should be in their school uniform for the first week. If a teacher has an issue with a childs behaviour to perhaps not point it out in front of all the other parents in the school playground.. maybe send the child out last once	11/23/2022 4:48 PM

Thomas Willingale School and Nursery Parent View At TWS we pride ourselves on trying to do the best we can for you and your children. We seek your views yearly to help us do this. Please take a few minutes to complete this survey. most of the other parents have gone and not send them out first.. otherwise observing parents could think your child is a trouble maker even when they are not.

48	Timely communication. Some working parents need much more time to arrange time off work to attend school functions.	11/23/2022 4:39 PM
49	Maybe more stuff on playground for play and lunch time for the pupils to play with	11/23/2022 4:37 PM
50	Come out on time at end of school day	11/23/2022 4:21 PM
51	I don't think there is a need for a tuck shop. I would like it if my child could read to an adult more than once a week.	11/23/2022 4:07 PM
52	Nil	11/23/2022 3:55 PM
53	More child led learning (in Nursery).	11/23/2022 3:39 PM
54	I can't think of anything	11/23/2022 3:37 PM
55	An improved variation in vegetarian lunch option.	11/23/2022 3:15 PM
