We understand that for some families the routines may have to vary from the above but it is important that all children log on to seesaw or tapestry daily and maintain a routine to help them cope with the current situation and to ensure they do not fall behind with their learning. Please contact the school for support if you are struggling with this or finding it hard to motivate your child. If your child needs help with their work please message the teacher on Seesaw or phone the school for help. The priority list is the order we would LIKE your child to complete their work each day.
