Kanneh-Mason is a proud member of the Chi-chi Nwanoku-founded Chineke! Orchestra. The group was created for black and minority ethnic classical musicians.

At the age of 16, Kanneh-Mason won the BBC Young Musician of the Year Award, after performing Shostakovich's Cello Concerto No. 1 with the BBC Symphony Orchestra at London's Barbican Hall.

On Saturday, May 19, Kanneh-Mason played the cello as part of the celebration surrounding the latest royal wedding, as the UK's Prince Henry of Wales, commonly known as Prince Harry, married American actress Meghan Markle at Windsor.
